Match Officials

Referee: L.C. Jones

Red: B. Malone

Yellow: A. Sproston

On Monday 16th April 2001, Mike North of Poole was refereeing The Nationwide Football League match between Southend United and Mansfield Town when he collapsed and died.

Mike was in his first season as a referee in the Football League. He had progressed through the Western League and the Football Conference and had often officiated at Huish Park.

When the match was replayed, Southend United made it a testimonial in memory of Mike.

Mike was also a member of the Association of Premier League and Football League Match Officials.

Today, Mike's widow Teresa is here to receive from Derek Wiltshire of Southend United a cheque in respect of the money raised at the Testimonial match and to receive from Jeff Cox a cheque representing a donation from the Associations Benevolent Fund.

Yeovil Town Football Club join Southend United and the Association in expressing to Teresa and her two daughters Olivia and Victoria sorrow at their loss and sincere good wishes for the future.
